

Supplier Diversity Program Award

The Operational Services Division would like to congratulate the Supplier Diversity Program Award Winners for Fiscal Year 2012 for Benchmarks Achievement. The year to year growth for not only meeting, but also actually exceeding benchmarks for W/MBE spend has been absolutely astonishing. Accordingly, all this has been accomplished in the face of several economical hurdles and we appreciate all of hard work of the Supplier Diversity Officers' and their staff. Their dedication to the Supplier Diversity Program allows for us to directly impact the socioeconomic goals of the Commonwealth.
